vs

Anthony Michael Durubio

Case No. 2:20CR00016-SAB-1

CONSENT TO MODIFY CONDITIONS OF RELEASE

I, Anthony Michael Durubio, have discussed with Erik Carlson, Pretrial Services/Probation Officer, modification of my release as follows:

On June 11, 2020, Mr. Durubio was released from custody under conditions of pretrial release supervision. Additional condition number 28 of Mr. Durubio's release order requires him to be supervised by the U.S. Probation/Pretrial Services Office with the use of location monitoring equipment under home detention.

While under pretrial release supervision with the use of global positioning system (GPS) monitoring, Mr. Durubio successfully completed substance abuse treatment and has maintained employment. It should be noted that one petition alleging non-compliance with home detention was submitted to the Court on October 23, 2020. The Court took no action at that time.

Based on Mr. Durubio's compliance with his conditions of pretrial release supervision, the undersigned officer respectfully recommends additional condition number 28 be removed.

In addition, Mr. Durubio has expressed interest in attending mental health treatment to address issues of post traumatic stress disorder. Therefore, the undersigned officer respectfully recommends Mr. Durubio's conditions of pretrial release supervision be modified to include the following condition:

Additional Condition: The defendant shall participate in a mental health evaluation and participate in any recommended treatment.

The U.S. Attorney's Office had no objection to these modifications.

I consent to this modification of my release conditions and agree to abide by this modification.
